PROPERTY DESCRIPTION

This is a beautiful builder's home! It is a grand entrance with Palladian windows, and a 4 foot wide staircase with cherry wood. The cherry accent goes throughout the house with awesome crown molding. There is an island, granite countertops, double ovens, cherry cabinets and surround sound to make this a great kitchen that flows into a large family room with a fireplace and built-ins on both sides. This just goes on and on. This is a great value and shouldn't last long.
